Notes: * NSLI 100 is the prerequisite for the other NSLI courses. **NSLI courses may only be counted once in either the required course section or the approved electives section	

I've been able to take what I've learned in the NSLI Certificate and put it towards my community- focused work. My prior experience in the nonprofit sector was complemented very well with the education I received in the program, and getting to learn from accomplished nonprofit leaders and alongside fellow aspiring changemakers was an amazing opportunity. As a dedicated advocate and community worker, the knowledge I gained and connections I made through the program have been priceless."

AMIR | Bachelor of Arts, English, CNSLI

JUMP-START YOUR CAREER

Saskatchewan has more than 7,800 registered nonprofits and registered charities in the province, employing tens of thousands of residents in different sectors such as arts/culture, sports/recreation, education, health, social services, environment, development and housing, law/advocacy/politics, and more.

For current students contemplating a journey into the non-profit sector, I encourage you to seize the opportunity that the NSLI program offers. It's more than just a certificate - it's a pathway to understanding this sector, building your career foundation, and acquiring the skills necessary for success."
